“ I met louise yrs ago at mardels. She always had a smile on her face an so friendly an helpful. Over the years we became good friends. This past year we started hanging out. She was such a joy to be around an we talked on the phone every day .she became one of my very best friends. When she first started coming over all the older kids in my neighborhood went crazy over that big orange car she drove. They just had to come over an see it meet her.They all thought she was the greatest. I cant say enough good things about her.she was one of the most generous,giving, an loving person I know.what a awesome woman. She loved jesus,loved her family ,adored her little dogs an there was nothing she wouldnt do for sherry. She just mentioned that a couple weeks ago .

I am going to miss her so very much.Dont know what lm gonna do without my bestest friend now. I know the minute she saw Jesus he said well done good an faithful servant.I know someday we will all see her again until then love ya an will miss you my friend.

“ Louise was the sweetest, kindest and most loving person I had the honor of knowing and the privilege of calling her my sister-in-law. I loved her dearly and she will be greatly missed by all. I will miss her sweet smile and contagious laugh. Louise had a true servants heart, always thinking of others. She was truly God's gift to us all.

“ My Aunt Louise,

She was my second mom. I spent all my summers with my aunt and uncle Roger. Always so, soft spoken. She had a 1 way ticket to Heaven with the rest of the family that has been waiting for her. I will always have my memories that I will treasure for the rest of my life. She taught me so much about forgiving people. I remember when he and My Uncle Roger came to Colorado and we had a blizzard. I still have all of the pictures and Aunt Louise running in the snow. Uncle Roger and Aunt Louise had so much fun that year. I have a whole in my heart and soul. Now we are the last of our elders. I love everyone of you.

“ Louise Truly was sent from the Lord to minister to others and she did that Exceptionally Well. God's light Shined through her always! She was Always just a phone call away, willing to lend an ear, come to your rescue, and always showed Gods Grace!! Oh How she Loved Sherry, her grandchildren and great children. They truly was the sparkle in her eyes! I can see Brother Evans in Louise, especially with her deep Love for Christ whom she got from her grandfather. I know Louise Missed and Longed to be with the Love of her Life, Roger and too be in the presence of the Lord! Sweetheart, you made it and what a Reunion that must have been!!!
