“ We are so sorry to hear about Charlotte’s death. We just heard about it. Our hearts goes out to the family! Charlotte was a dear sister in law to me and much more a dear friend to me. I’m sorry that our families drifted apart over the years with death, marriages that happens. Charlotte and I kept in touch through emails and phone calls always trying to stay in touch. They always brought a smile to me and reminiscing about family times together and what’s going on with our families. She loved her family and most of all God. We were happy that she found happiness with Max during these last years. Our prayers and condolences goes to Max, the boys, grandchildren, and great grandchildren, her brother, and extended family. We love you. With heartfelt sympathies, Mary Ann and Bobby Dodson Stephen Brasher, and daughter Savannah Karen and Cody Voohries
