“ For my sweet brother in law, Del!

Death leaves a heartache no one can heal,
love leaves a memory no one can steal.
- From a headstone in Ireland

Del was proud of his Irish heritage, so when I found this, I had to post it. He loved going to the Irish Festival, where he and Carolyn volunteered their time. Del was very kind hearted and loved his wife of 54 years, (WOW) and his brother, Craig. These two guys could carry on some pretty high spirited conversations about everything and anything!

Our hearts are broken, but knowing he suffers no more is of a great comfort to us.

We'll all see you one day, Del. Be looking for us....

We love you Brother,
Mary Ann and Craig
