“ I tell you what God really got a faithful servant last Sunday when Dolores went home. she was always such a powerful prayer warrior with me and for me and I'm so grateful to God that she came to my garage self and we befriended each other . we were like peas and carrots from the first two minute she was there and she stayed over two hours and then came back I gave her so much stuff that just tickled her to death bless her heart she was so much like my grandmother was and I'm just like my grandmother . I would imagine when I get to be her age if I make it that far that we would be like peas and carrots. She truly had a heart of gold and she had a lot of faith . I will be forever be grateful for her friendship and God bringing us to each other. The only thing that makes me sadder than her not being here and me not being able to hug her and tell her thank you and that I love her is the fact that I didn't get to go to the funeral she knows my heart and she sees me now with the tears in my eyes and the absence in my heart.

“ Sheri and family, we are all saddened to hear of your mom's passing, but happy that she is now with her heavenly Father. Our thoughts and prayers are with you during this difficult time Sheri. You have talked fondly of the recent time spent with your dear momma and those times can not be taken from you. We look forward to seeing you soon. Sending our love.

“ Don, Lori, Sherri and family of Delores, We are so sorry for your loss of this sweet lady. I have fond memories of her since our families were joined with the marriage of Morgan and Jordan. My favorite memory has always been her love of her family and Pepsi. We often laughed about it. She loved her grandchildren and great grandchildren and her wonderful family. I know she is with Jesus as she often talked about her Savior. Till we meet again.
