“ I am so sorry to hear of Dorothy's passing. I met Dorothy many years ago through her dear friend Lady Stacy. Lady and Dorothy were the best of friends and spent many years going out dancing. They would tell me "you don't know what you missed" when speaking of the ballroom dancing and the big band era. I know I did miss a grand time. We had called Dorothy several times lately to let her know about Lady and there had was no answer so we decided to look at the obits. I have let Lady's sister Clair, know about Dorothy. Lady has just been put on Hospice and Dorothy had always told her family to let her know what was going on with Lady. Clair and I agreed that Dorothy will be there to welcome Lady with open arms when she gets there. Dorothy was a wonderful friend. I'm sad to hear of her passing. That's a beautiful picture. God bless you all.

“ I met Dorothy (Honey) in 1970. Not only was I amazed at how beautiful she was but how open and loving her heart was. She welcomed me into her family and treated me like a daughter and for that I will always be grateful. Her faith was some thing that I always aspired to have, no matter what the situation was she knew her faith would get her through it. I could not have asked for a better grandmother for Bryan. She loved him unconditionally and was always there for him. Her love and kind spirit will be missed.
Rest in peace sweet Honey
Beverly
