“ God looked around His garden and found an empty space needing to be filled, So He looked down upon this Earth and saw the tiring pain upon your body and soul, So He carefully and gently placed His arms around you and lifted you up into an eternal rest in which you now fill one of the many beautiful spots in Heaven. I can only imagine what it must be like to be reunited with family who had passed on before you, but I know that there is another amazing family reunion in Heaven going on, and I cannot wait to see you again one day. Give my love to everyone, and know that you are loved both here and in Heaven. I love you, Grandma.
