

## Edith Brooks

October 20, 1924 - April 25, 2021

It is with profound sorrow we mourn the loss of our mother Lillian Edith Brooks, born 10/20/1924, died 4/25/2021.

She was the second child of Clifton and Lucille Jones of Memphis, Tennessee. Growing up during the Great Depression she learned the value of family and love. Traits that she would carry throughout her life. During World War II, she was introduced to a young Army Air Corp Sergeant, Rea L Brooks Jr., also from Memphis. Their love blossomed culminating in marriage May 18, 1946. After creating a home in Memphis, their first son, Rea Edward was born. In 1955, the young family relocated to Farmers Branch, Texas. In 1961, their 2nd son, Scott Bradley, was born.

Mom was tireless in creating a warm and loving home for Rea and their two boys. Her love of cooking, especially southern dishes, always kept us at the table wanting more. She supported each and every event from baseball, soccer to Boy Scouts for her sons. She was always there to help with homework and always there to patch torn jeans or wipe away a tear. She provided guidance, grace, leadership and instilled family values throughout her life.

Edith never failed to find the good in all, always putting others first. She had an infectious smile and kind disposition. Her words "Good, Good, Good" will forever describe her. She enjoyed life, was full of fun, wit, class and charm.

Edith is survived by sons Ed and Brad and their wives Trish and Lisa, grandkids Courtney, Laura, Shelby, Brianna and Colby and great grandchildren, Layla, Sawyer and Max. She is preceded in death by her husband of 62 years, Rea, her parents and sister Aileen. She will be remembered as a warm, loving Mom, Meme to her grandkids and great grandkids. To her many friends, she will be remembered as a true, gracious compassionate person. “ It is hard to say the things you feel in your heart when you lose someone you loved. Edith was always a delight to be around. She was always happy and always with a smile on her face. Just thinking about her makes me smile. She was caring and kind and good and whatever she did and said you knew it was from the heart. I have known Edith for a huge part of my life. She was like my second Mom and Rea was like my second Dad. I always loved to be around Edith and of Rea. And my heart is overwhelmed with memories that we shared together and I will always cherish them. I feel grateful to have known her and to have had her in my life. Brad and Eddie, you two were great sons to her. You both stepped in to care for her Mom and I know that meant a lot to her. Your Dad would be very proud of you. And now they are together, a true love story everlasting.

With my deepest sympathy, love to you all, Donna (McKee) McBride
