

## Eleanor Weigand

April 5, 1925 - July 22, 2022

WEIGAND, Eleanor Macchia was born in Canonsburg, Pennsylvania on April 5, 1925. She passed away on July 22, 2022 at the age of 97. Ellie's parents immigrated from Foggia, Italy in 1921 through Ellis Island with her eldest sister Helen, and settled in Canonsburg. Ellie was the youngest of four children, Helen, Margaret and Anthony. She moved to San Antonio, Texas where she met her husband of 50 years, Donald J. Weigand, at a dance at the USO.

Ellie had several jobs in her lifetime including working for a custom builder and an employment agency, but the true joy of her work life was the 32 years at Texas A&M College of Dentistry in the Oral Maxillofacial Department in Dallas. She served as the Administrative Assistant to the Dean.

Ellie enjoyed reading, cooking and having her large family gathered around her. Sunday supper was always a time filled with love and laughter. Don and Ellie were devout members of St. Patrick's Catholic Church in Dallas where she served as a member of the Altar Society.

She was preceded in death by her husband Don and is survived by her six children, Donna Monk, Karen Kislingbury, Cindy Reinhardt and husband Greg, Tony Weigand and wife Susanne, Jim Weigand and wife Kelly, John Weigand and wife Kayla. Ellie was blessed with 13 grandchildren and 4 great grandchildren who will miss their Noni.

A memorial service will be held at a later date.

In lieu of flowers the Weigand family kindly request you consider a donation to the North Texas Food Bank

“ Gracious, polite, caring, above all, caring. Caring for the upcoming oral surgeons studying in our department, caring for coworkers and others in the school, and especially caring for her family. And that showed when she spoke of them. She worked hard with a positive attitude, was always willing to help, never afraid to ask for assistance if I could help and always appreciative. I learned many things from her during the 20 years we worked together. She worked way past retirement age – I was in awe. She used to say that getting old was not for sissies. It must have been hard for her many times. I was sincerely sorry to learn she was living in memory care. We’ve lost a good person. But her work on earth was done. Time, at last, to go be with Don.

“ I don't even know where to begin. The memories we have shared the past 38 years have been a blessing. From picking you up to take you to our work Christmas parties, to having lunch with you everyday, your smile, laugh and wonderful talks will truly be missed forever but not forgotten. Our friendship is something that will always hold a special place in my heart. I know how you must be so happy to finally be with Don. May you rest in peace my dearest friend. Love you.
