“ Eric - you have been there with my family through all our life! You were there for Wade growing up, for our Wedding, for the birth of our children, all of our kids Achievements / Birthdays / Graduations....just through it all. You were there through the good and the bad and never judged, just offered a lending hand or ear. You were an amazing Friend, a genuine man with a huge heart, and you are going to be truly missed not only by our family but by so many people. This is not a good bye it just a "We will see you later". Heaven has gained an angel but we have lost one. We love you, you are family and you are already missed.

Love - Renee & Wade Godwin
