

Flavia Davaloz Fuentes

November 21, 1930 - January 26, 2021

On Tuesday, January 26th at 7:14 pm, Flavia Davaloz Fuentes, loving mother, sister, aunt, grandmother and great grandmother was called to rest by our Lord Jesus Christ at the age of 90.

She was preceded in death by her parents, Father Enrique Davaloz, Mother Maria Davaloz, Four Sisters, Rachel, Elia, Consuelo and Juanita and Three Brothers, Avelino, Tony and Henry Davaloz. Flavia is survived by Sister Otelia Davaloz Anguiano, Brothers Adelaido, Paul and Andrew Davaloz. She is also survived by Sons, John and spouse Cheryl, Louis and spouse Mary, Raymond and spouse Karen and Daughter Melinda Fuentes. Followed by 11 grandchildren and 17 great grandchildren.

Flavia was born in Dallas, Texas in 1930 and attended and graduated Crozier Tech in 1950. She married Ben Fuentes a private in the Army in 1953 and soon after started a family. She divorced and began working to support her family as a single mother. She worked as a loan officer and sales person. In 1967 she began working as an Accountant and Collector for Methodist Hospital from which she retired. Through her hard work she was able to purchase her own home to raise her family as a single parent.

She was a very devoted Mother who made sure all her children were loved, clothed, fed and she never missed a holiday. She took the responsibility of both Mother and Father, provider, best friend and caregiver. She not only did this for her children but many of her grandchildren as well. She was a very kind, loving and caring person and loved to help others.

She always stayed strong in her faith reading her Bible daily even through the toughest times and taught all to never lose their faith, be strong, never give up and always believe. She will be missed by many, but never forgotten. Her infectious laugh and smile will always remain in our hearts. Her legacy will live on in the many hearts that she has touched and the many that have been blessed to know and love her.

“ Hi, mom

I always knew if anyone could beat corona, you would, it sucks that you did but your lungs and heart couldn't take it, I'm amazed by your strenght, you raised 4 children on your own and bought a house and made it a home, they always had food, clothes, christmas and birthdays. You was always a shoulder to cry on and always tried to help any and everybody, with food ,advice or what little money you had. I'm glad you waited on us to say goodbye and thank you for coming last night, John needed that. I'll miss you, but you aren't forgotten.

“ I love you mama, I'll miss coming to see you twice a week with donuts or pan dulce and coffee and sharing the memories of my childhood and learning about the family. You have only been gone for a couple of weeks and I want to call and come see you, thanks for coming to see me last night, I was amazed and shocked at first, but then I realized it was you and became calm and enjoyed our visit . I know I am being selfish and I'm sorry for that, but I always thought I would have you for ever. I know I will.

“ My dear sweet Mother-in-law always treated me as her own daughter. I will always cherish the many talks and laughs that we shared.

I always admired her for her strengths, family dedication and her love of the Bible.

I am so blessed to have her in my life and the love she gave me. She is only gone in physical form but is still here in our hearts and in the eyes of each grandchild in her legacy. She has forever touched us all and will live on in each of us.

Mom, you are our Angel, we love and miss you very much but we know you are looking over us.

Love

Mary

“ Mom was my best friend. Anytime i had a hard time understanding someone and there actions she would always give me a humbled answer. My mom loved everyone she met and was always kind. She taught me how to be strong in faith and to always be kind. For the last 10 years i was blessed with stories and memories i will never forget. It was an honor caring for you mamma as you cared for me and Dakota. I miss you everyday.
