“ To the Weaver family I give my most heartfelt condolences. Finding the news about the passing of Frances has me in a solemn mood but I find myself celebrating many moments and wonderful memories of the past. She truly made my grandfathers life the best years he ever spent. They lived in true love and I'm so incredibly happy that they spent their years together. She was ever classy and a wonderful woman and I am so happy and honored to have known her. You have my deepest and most heartfelt condolences for your loss.

All my best,

“ Frances was like a second mother. She treated me just like one of her kids and that means having a good time together and also letting me know when I wasn't dressed appropriately for her LOL. Many times she asked if I had something else to wear if I wasn't dressed to her standards. it was always a pleasure to be with her no matter what she said. Since returning from out of the country I spent the last six years celebrating with Frances and Sherri and David all the holidays and birthdays. She will surely be missed. I love you Frances I know you are rejoicing in heaven with all those who have passed before you.

“ Frances was a wonderful friend when we lived at the Atria. Meals were always better when she was at the table. Frances is missed but she has been a trouper with her illnesses.

“ God of love and mercy,
embrace all those
whose hearts today
overflow with grief,
unanswered questions
and such a sense of loss.
Grant them space
to express their tears.
Hold them close
through the coming days.
Love and prayers,
Karla Miller

“ Sherrie & David - I am so sorry for the loss of your mother. I feel so fortunate to have met her and to have got to spend a little time with her. It was refreshing to be around her because she was so open and honest, one never had to wonder where they stood with her. I feel rewarded to have known her and called her my friend. With all my heart, Sherri Flatt
