“ Gwanda I can't believe your not here I am going to miss you so much, you were the kind of person that would help anyone that needed help. We had so many good laughs and we also cried a lot too. You will always be in my heart I will always love you. The Bible said absent from the body present with the Lord. No more pain no more tears. Kathy Daniels

“ Gwenda was my unconditional Sister, that I truly love and will always love. I worked with Gwenda in Elections Dept. back in 1992-95. Not only does she have a wonderful spirit, fun to be around Lady, but I just talked with her in mid-January. Glad I told her I love you, and she replied, you are my only Brother and you love you more. Rest In Peace My Angel!

“ Gwenda was one of the best blessings in my life! Losing her is a big hole in my heart! She and I shared a lot of memories together and she went through a lot of big life events with me. I thank her for being there and staying friends with me so long. And I mean being A REAL FRIEND! Thank you, God, for this loving human being!

“ Gwenda was a wonderful, hard-working woman. I met her in the mid 1980s and, after getting to know her, offered her a part-time position at the Dallas County Elections Office. (I was the County Elections Administrator at that time). She did an excellent job, and subsequently became qualified and was soon selected for full-time employment at the

Elections office. She did great work there for many years and was popular with the other employees and helpful to new hires. She retired from that office about 5 years ago. I was saddened to learn that she had been recently diagnosed with cancer and passed away quite suddenly. She was a lovely woman and loving mother. She will be sorely missed.
