“Helen was very dear to our family. My Mom, Odie Marie Larkin, always mentioned her in a fond way and shared photos of them of when they came to know each other as young adults around the time my Mom met my father, J.W. Larkin. I could sense that they shared alot of special memories. As I grew up and I came to know Helen (I called her Aunt Helen because she was always with my other Aunts: Joey, Bunny, Flora, and Ronnie), she was truly someone who exuded a warm and caring spirit with such sparkle in her eyes. As a child, we visited she and Raymond in Winnsboro and I remember her showing me her horses and how she loved horses. More recently, we visited her at her home in Seagoville for a birthday celebration and although she couldn't physically do alot, she was still the perfect hostess and even offered to share her yummy recipe for her caramel brownies. She was so always so nice to be around. She will truly be missed.
