“ I’m so sorry to just now learn of Wade’s passing. He was an incredibly smart, thoughtful man who, like his father, helped many people. I vividly recall the many times my mother and I would visit Vera Beth and J. W. And I would get to interact with he and Carson. They played games against each other for hours. Wade helped me when our cousin Ruby was ill and died. I recall when he had Duke, and would talk me into putting on protective padding and tell me to run before he turned Duke loose to get me. Wade laughed and laughed. Lastly I remember watching he and his father walk up and down the road in front of his home, just talking. So many family memories. I’m sorry we lost touch.

“ We’ve lost a truly great man in Wade Campbell. A kind attorney who helped numerous people with free advice. An ace dog trainer and showman who with his gentle ways won over every heart of every person he met. Jim and I are sorry to have missed his funeral. We send our love and deepest sympathies to all the family. He will truly be missed!!

“ Wade was a friend of mine for all 12 years at Richardson while growing up. He gave me a ride with him on the back of his old horse when I was about nine years old. That love of a horse stuck with me for many years. Life happens and I wasn't able to have a place to take care of them until I was 60 years old. So now I take care of four horses and often think about the good times I had at Wade's place. His mom was a wonderful lady and she was my third grade teacher. So sorry to hear of his passing on.

“ Wades mother was my third grade teacher at Richardson Heights. I loved her so much. I've enjoyed being in Rotary with Wade over the years. He always chuckled when we spoke of her being my teacher. He was a good man. I will miss him God Bless you all.
