“ I worked with John at CVS. John will be remembered for his work ethic and always being the first one there. I became friends with John and also became golfing buddies. I remember one time John hit an eagle from about 100 yards out at Tennison Park golf course on the 18th hole. I remember him jumping with his arms wide open with a big smile. That is the image I will remember of him forever. You will be missed my friend. My condolences to the family.

“ There are just so many adjectives that one could use to describe John; loving, kind, generous, funny and the list goes on. Personally, I can honestly say that I am a better person for having had the good fortune to have known him. John loved his family fiercely and did everything within his power to be present, provide for and protect each and every member of his "tribe". He was one of the hardest working men that I know and feel certain that he went above and beyond what was expected of him.

I will forever remember his sweet spirit and the loving looks that he gave his precious Lorrie and simply said "Yes, dear!" My heart is truly saddened that we no longer have him physically with us, but I know without a doubt that he is still watching over his family with pride in his eyes.

Our condolences to the entire Rubin family and our thoughts and continued prayers will be with you all.

John - this is not goodbye, it is simply a "so long for now, until we meet again."

We love you all - Blessings from the entire Whitehead family!!

“ Dad was always there to wipe away happy or sad tears. Always there to listen, teach, and share advice. You used to talk to us for hours when when we'd get I trouble, what I wouldn't give to have one those talks with you now. The best man and dad in the universe. I love you so much Dad, breathing without you here is a little harder, can't wait to see your smile again. I love you so much, how blessed and lucky am I that you are my Dad.
