“ I first met Ken and Jeannette Bradley 2005-06 in Marshalltown IA. Ken was a good friend of my then beau Jerry Grimmonpre who became my husband in 2007. I felt an immediate friendship with Ken and Jeannette and we always made time to see each other when our visits to IA coincided. I so enjoyed hearing Ken and Jerry swap aviation stories and many funny childhood memories. Ken and Jerry sometimes talked for hours on the phone between their home in TX and ours in TN. Jerry passed away in 2017 and Ken continued the calls – to check up on me. He was a kind, interesting and caring gentleman and I will miss him and his warm rich voice. My deepest sympathy to Jeannette and to their sons and families.

“ Ken has been a great friend since 1963 via the CCT. He was unique in his outgoing ways and ability to know folks on a personal level. We had many really great times with the Bradley's, especially the Moon Rocket Launch –and following Bahamas junket to look at real estate. We were the tag alongs for this wild ride. Another time I came home to Houston from a California trip and there was about 20 folks from the CCT in our apartment, that were down for the races at Galveston. Took a while to recover from that weekend. So many stories we could tell. He and Jeanette were a great team and were always a joy to be around. Our kids were always excited when Uncle Ken would visit. We will miss him very much. May God welcome Ken home and provide comfort for the family
