“ Dear Mike, My name is Vicki Wooldridge Perkowski. Kim and I were very, very good friends in high school. I have been searching for her on FB for a while, but only knew her by her old name. I am heartbroken for you and your family. Kim was one of the sweetest and kindest people ever put upon this planet. I just found out about the services or I would be there today ( I am already at work). If there is any way you could get in touch with me when you feel like it, I would love to know where she will be laid to rest, so I can go visit her and say my good bye. My email is vlperk@verizon.net. My thoughts and prayers are with you and your family. Please give my love to the Fundlings, as well. They were very kind to me growing up. I spent countless hours at their home. I loved them all very, very much. I will miss Kim with my whole heart.

“ It was a joy to know Kim during our time together in choir at Our Savior. She always had a smile and we shared many laughs and giggles. Kim was a special woman and her light will be missed in this world. Wishing peace for you, Mike, and for all of Kim's family, as she has soared to that place of peace.

“ I will always remember Kim as a beautiful person that was always cheerful and upbeat. She loved to laugh and her smile was always present. She made people's lives better and that is the best compliment one can receive. I will miss her.
