

# Kye Damarion Washington

November 23, 2020 - November 24, 2020

I loved you yesterday  
And I'll love you tomorrow.  
GOD lent you to me for a short time to borrow.  
My baby so precious  
My baby so dear.  
It breaks my heart  
That you can not stay here.  
Everyone loves you.  
Earthly and Heavenly too.  
The Angels In Heaven are singing  
A song just for you.  
LORD JESUS hold my baby boy  
And handle him with care. Give him lots of angel kisses  
Until its my time to come up there.
