“ Dear Gary & Dan, Bob & I are so sorry to hear about your dad. We moved in across the street from your family in 1962 and we are still here. I think we are the only original owners in the neighborhood. I retired from Alexander & Alexander and worked closely with Leland (plus we share the same birthday). I hate that we did not know about his passing until it was too late. We would loved to seen you. Keep in touch.
