“ I cherish a lifetime of fond memories of a Dear Aunt Libby, Uncle Ron and the entire family. Remembering our times together in New Albany, MS visiting special grandparents Poppa and Nana, having you visit our family in Memphis, TN and coming to Texas to visit Aunt Lib, Uncle Ron and my cousins in Dallas, TX PLUS sharing some incredibly special times together through the years in Breckenridge, CO. We no doubt have been blessed beyond our wildest dreams of sharing a special bond as a close family (lots and lots of smiles and laughs together). To my Dear Cousins Karla, Ruth and Allen and their families, knowing that heaven now shines brighter having received Libby helps us live each day to honor our God and to love others. When someone you love becomes a memory, that memory becomes a treasure. May your days ahead be filled with the blessing of such a wonderful and loving Mom, Grandmother and Great-Grandmother ! Libby left behind a true Living Legacy with her family !

With Love, Richard & Virginia Curry

“ So sorry to hear this Karla. We know this world is not our home and there will be a great reunion one day, still the human heart aches. Love you and prayers for your family.

“ Libby was my friend and mentor. She was a little lady with broad shoulders that supported all of her “Kids” at Western Union and AT&T. She was a gentle southern lady with a big heart. I’ll miss you my friend.
