“ Aunt Maggie Jo, you will be so arly missed by your family. You are the last of your generation. You were a beautiful soul and we all loved you. I will never forget when my dad came home from Uncle Verne’s funeral in Dallas and told us that when Maggie Jo came up to me and gave me a big hug and said “it’s just like hugging my Verne.” Dad said he lost it. She was so full of love. RIP Aunt Maggie Jo??????
