“ Dearest family, Marcia was one of my many favorites while at CC Young. I loved her very much and am very sorry for your loss. She loved to exercise when she could and enjoyed life. She missed her husband and would speak of him often and now they are together in Heaven. May God encourage your hearts and keep you in the strong grip of His love.

“ Marcia's uncle, George Brown, is my husband, Donn Brown's grandfather, which makes Marcia Donn's 1st cousin 1x removed. How wonderful to learn what a Godly, praying woman she was. Our shared hope in Christ means we will all meet one day in joyful praise together! May the God of all comfort guide you through your grief during this earthly loss of such a remarkable woman. We will be praying for your (our!) family.
