“ I happened across this obit tonight just looking for my friend. I am so sorry to hear she passed away. Edwina and I were friends at Texas Tech and later in Houston. We played many a bridge game together and she gave a baby shower for my first child. I called her about 2000 and caught up but never spoke to her again. We retired back in Texas in 2009 and I really meant to contact her again. Now I can't but I can be grateful for knowing her and for the fact she is no longer in pain.

“ Dearest Edwina, Your love of family shone through to each of us and we will miss you greatly. The days spent at your home as we all grew up will be forever the fondest of memories for me. You are at peace now and your struggles are over. Love always, Sharon
