“ My heart grieves for the family of Mrs. Freeman. She was a wonderful friend to all the kids in our neighborhood and some of my fondest memories are of times spent at the Freeman house as I was growing up. She was a kind, caring and extremely witty lady who made an impact on me. Though it has been some time since I have seen her, she will always remain in my heart as a second mom. I pray that memories of happy times spent with her will bring comfort to the family she leaves behind. God Bless you Margaret and God Bless your family in this difficult time.
