“ I'd like to send my condolences to Bambi's family. My name is Gerry Beaver and Bambi and George were my dearest friends. I was a drummer in Dallas and worked with George through the decades in his bands and spent many days working with George on their house in Hurst. After George passed, Bambi and I stayed in touch on e-mail. I felt something was wrong when there were no e-cards from Bambi this Christmas. This is a sad day for me but my hopes are George and Bambi are reunited in Heaven. Gerry Beaver
