

## Mattie Hazel Calloway

July 7, 1938 - September 25, 2020

She was named Mattie because of our grandmother, Mattie Calloway. She was named Hazel because of her cousin, Hazel Montgomery from Birmingham. We called her Hazel because Grandmother Mattie and Mattie Hazel could have been confusing. Hazel is a keen observer and a good listener. We all laugh about the day in church when the minister thought he was waxing eloquently and used these words, “eyes have heard and ears have seen.” Hazel caught that slip up while most of us let it go over our head. Hazel attended SC Colored School, (Claiborne Calloway Elementary), Carver High School, Dayton, TN, Morristown College, Morristown, TN, and A&I State University. She graduated with a Business Degree. She taught at Carver High School until integration in 1965. She moved to Dallas, TX and became a Computer Operator for Texas Instruments. She retired from Texas Instruments in 1998.

“ Tengo muchos recuerdos, buenos y malos, fueron 41 años de amistad y parece que fue ayer que te conocí. No tengo palabras para expresar la tristeza y el dolor por esta pérdida.

Hazel, gracias por tu amistad. Gracias por tu confianza. Gracias a Dios por ponerte en mi camino.

Descansa en paz (hasta que yo llegue).

Señorita Calloway, ¡amiga mía!

“ Dear Hazel. It was such a pleasure knowing you. We had a lot of great times, and travels. You will be dearly missed my friend. I do not say goodbye, but see you later.

Rest in peace

“ I could write a book about my buddy. Hazel was my friend for 53 years and I miss her terribly. My deepest condolences on the death of my dearest friend. One that I could always count on. It is with deep regret that I must let you go but you will forever be in my heart. I love you my dear "missy", a nickname we used for each other.
