“ One only needs to know how great a man is by the children he raised and loved. His children are some of the most caring and loving people I've ever known. Mr Moreno was in a class that so few people ever achieve. Thank you to you and to your beautiful wife for my precious daughter in law. Rest in eternal peace

“ My Father, is a man like no other, my mom would say when god made my father ,they broke the mold there's no one like him. My father gave me the best gifts that any child could have ever wished for, my siblings, he also strengthened me , protected me, he believed in me and he loved me unconditionally. There're not enough words to describe what my father means to me in all my 54years of having him in my life he still and always will have influence in my life. Its takes a special & amazing man to be a father and a dad. DAD, I LOVE YOU ALWAYS AND FOREVER. ALWAYS YOUR DAUGHTER.
