“ I wanted to send a note to Paul J Fouts family. I never met Paul, but, back in the 70's & 80's whenever I worked for Western Union, I got to know Paul over the telephone as he was such a nice client. Western Union had an answering service at one time and I was in charge of this particular service. I remember, for some reason, mentioning that the largest stone in my wedding ring was loose and I was afraid that it might fall out. Well, Paul said that if I would go to a certain client of his, he would see that it was taken care of at that time. I had no doubts that Paul was trustworthy and I did take it there and they repaired it and I have had no problems with it since this time. My husband passed away in 2015 after fifty years of marriage. As nice as Paul and his wife were to me, I just wanted to let the family know just how much I appreciated my friendship with Paul and how much I admired him. How special for him to live to be 102. What a wonderful life he must have had. Paul's family will be in my prayers. Waunda Payne

“ So sorry to hear my uncle passed. What a good man he was. I'll always remember the stories he shared, especially those that involved my Aunt Dorothy and their many travels. They must have danced all around the world! Now they're dancing in heaven.??
