“ I was sad when I heard of Paul’s battle with cancer and his passing. I had planned to come visit and then COVID struck.  
I do smile though when I think of the great times we had at Monongahela High and the stage sets we built and the plays we performed. We worked together on the junior prom and graduation. My prayers are with his family.

“ There are going to be so many things missing from my life now that you are home with God - monthly lunches with talks and memories (pre-COVID of course), Mavericks games, Thanksgiving turkey frying, weekly phone calls while you are sitting on the back porch with Taffy, and your love and support whenever I needed it and always.

I love you Dad. - Gwen

“ My sweet Paul was a gift from God and I miss him so already. I know where he is, pain free in God’s loving arms.
