“ I am still shocked, but I know you are in our heavenly fathers arms now and not hurting any longer. You were a true warrior and saint to me. You lived a life full of service and always followed a true path. It was so great to get to know you more and learn so much about you. It has been an honor and privilege to live under the same roof with you these past 3 years and I wish there could have been many more. I will miss you everyday. RIP Uncle Rick. ??????
