“ Randy and Teresa,

Your mother and father were wonderful, caring people. We only met them 20 years ago when we were in the same community group. We will always remember their friendship and their positive influence on our lives. We are so sorry for the loss of your mother.

“ Randy and Teresa-I just happened to see this on your mom. I am so sorry for your loss. We lost Dad in January so our family can sympathize with you. We have spent much time reflecting on our great memories there at our houses behind each other. Praying for much comfort for you all with your memories.

“ Dear Teresa and Randy— I am so sorry to hear about your mom passing away. She and your dad were always so kind to me. I have so many great memories from being neighbors and church friends. I know she is with the Lord and what a wonderful thing that is. I pray you will find comfort in that hope and as you reflect on so many memories. God bless you and all your families.

“ Teresa and Randy, my prayers for God's comfort. I can imagine the celebration in heaven as many special friends and neighbors are together again. We have happy memories of the gatherings on our street. Your parents were such faithful witnesses of God's love and care as they shared His message. Mary Sue Clark
