“ I remember the day Bill Clark came back from Camp Pendleton. I was riding my bicycle on GP Road, and saw his little red convertible pull up. He said hello Yvonne. Can you show me where is Sandra's apartment. I peddled as fast as I could, Bill followed me in his car. I was so Happy to see the expression on her face, when she opened her door and saw Bill. That week Bill asked Sandra to marry him. She said YES!!! She moved to Camp Pendleton.

I will be lost without Sandra. She and I talked on the phone all the time. I know there will be days when I will pick up the phone to tell her something, then realize, she is not here she is in Heaven. Prayers for her children and grandchildren. Love You all so much.

“ I've known Sandra since Vicki and my daughter Tami Carson Head were little and in grade school. We lived about a block from them and Sandra and I used to say how alike the girls were. They have been close friends since they were very young . Tami and I both were extremely fond of Sandra and love Vicki so much! We send love and prayers to the whole family. Love from Carolyn, Angie and Kim.
