“ My condolences to the family. I realize it's been a little more than a year. I was viewing one of my photos and was reading her response to me after one of my surgeries on my spine. SHELLEY, has always been so loving and caring. When I first met her at Arbonne International it was like we had been knowing each other forever. We shall meet again one day. Until then, you are terribly missed and loved. May God keep you at peace in knowing "Separate from the body, is to be present with the Lord".

Love, Pamela Paul

“ I miss you, friend...and I'm so sorry we didn't get together more. I have no words to express how I feel about us losing you. You were a good friend and a good co-worker who cared about others greatly and we all knew it. You deserved more thank you's than you got. You are loved, cherished and terribly missed. Love you forever. JB.

“ I am deeply saddened by the passing of Shelley. My heart aches for those she left behind. I pray that the family will find comfort in the Father’s love even though the pain of missing their mom and wife will be unimaginable. My forever prayers are with you all.

“ Prayers to the Storm family. We are so sad to hear of her passing. She was part of our baseball family and we all spent many years together at the baseball field. She loved her boys so much and she was a sweet soul who will be dearly missed.

“ Shelley and I (and her dog, Meathead) shared an apartment during the second half of 1985 through 1986. She and I lost touch with each other many years ago, but I am saddened to learn of her passing. To me, she will always be frozen at that point in time when Life’s amazing possibilities seemed to unfold unendingly before us. She and Terry had just started dating. She and I talked and laughed and gossiped and cried and listened to Prince’s Purple Rain album about a million times. I still use her lasagna recipe. To her family and friends: I hope that, in time, stories of her life will soothe your spirit and bring you peace.

“ Sending prayers to Terry and the Boys. Shelley had a heart of gold and was true Baseball Mom. She was always at every game and tournament cheering all the boys on and so happy to watch them play. Our family is so sad for your loss. Love, The Allen’s

“ Mrs. Storm was such a sweet lady. Getting to know her through her son Logan was a treat. Gone too soon and she will be dearly missed.

“ Shelly was one of the best HR Ladies I have ever had to pleasure of working with. She may not have been with our company long, but she brought a smile and a love of baseball to our call center. She was a great confidant and I was sad to see her leave our company. Sending prayers and hugs to the family in their time of mourning.

“ I have only known Shelley for two and a half years, but quickly learned she was a very sweet and generous person. You rarely meet people as genuine and caring in your lifetime as Shelley. She was VERY instrumental in helping reestablish the Pike Parent Club and loved helping new families with any questions or concerns they might have. I will miss her sweet spirit and smiling face and consider her a once in a lifetime friend. Holding the Storm family up in prayers for peace and comfort during this difficult time.
