“ Growing up in Lewiston, and meeting Steve many times around Lhs, Webster, and o of ore. Including numerous I wrecked a bicycle in front of his house a few blocks from my grandparents. He was always kind to others , and showed many athletic skills, from the time of the boys club tackle football period, to high school, where his love for baseball took him to many levels of success. Sad that I was never able to touch bases again. My best wishes for Candy and the kids. Rob Budweg.
