“ I just watched Suzanne's Service this morning. She would have been so proud of everything said about her and would have loved the Sic 'Em at the end. Robin and I are so sorry we missed the service. We assumed due to Covid 19, a Memorial Service would be held at a later date. Praying for all of you.

Ginger D'Angelo - June 22 at 02:49 PM

“ Thank you so much Ginger for your sweet words. I know she was there with us to enjoy her service and was doing a 'Sic Em' from heaven! We would have loved to have seen yall and hope we can in the very near future. We had talked about a Memorial Service but the outpouring of interest in attending was so great that we didn't need to as so many friends and family attended. Isn't it wonderful to be able to see the service live when you aren't able to make it. Thank you also for you and Robin's beautiful cards to Dad and me that were so very comforting in our time of mourning. Love to you and yours, Stephanie

“ What a beautiful service. Thinking of and praying for you all. Loved the sic 'em, bears! :) Love, Amy Herzog

“ I remember sitting with Suzanne at John Clark Stadium and watching our Drill Team daughters perform a routine at halftime of a Plano football game! We were proud of them and how hard they had worked together to be able to do this! This was the beginning of a close life long friendship with each other! Suzanne, You were a proud Mom who loved Stephanie and Julie each in your own way! Your legacy of faith will live on in your family and friends! Trudy Swanson Sheek

“ Thank you so much for your sweet words that exactly describe your friendship with mom and your love of the Planoettes. Tina has been the most wonderful Big Sis and BFF. I love you and your entire family so much. It was wonderful to have Tina with us during the ceremony and loved her dress and hat! Thank you also for the lovely cards from you and Aunt Lynn. God's Blessings on You and Your Family! Stephanie

“ Since I became Stephanie's big sister in high school drill team, she treated me like one of the family. She was a steel magnolia like no other...fiercely loyal to anyone she loved.

I am very proud to have had the privilege of her love and respect...it was most definitely returned back by me.
She will be missed!

Christina Finley - June 02 at 09:26 AM

“ Thank you for your kind words and perfect description of Mother. She was definitely a Steel Magnolia like no other. And you fit in perfectly in our family as an adopted daughter. A person can never have enough Mothers!! So now your mom joins my new circle of earthly Mothers until we are all reunited in heaven. We also appreciate so much your presence at her celebration service. And didn't Neal Jeffrey do a wonderful job? Sic Em, Steph

“ Suzanne and I taught on the kindergarten team at Weatherford Elementary in Plano ISD. She was such a kind and classy lady, and oh, she was so proud of her family. No question how much she loved her students. I am thankful that God put us together. Blessings and peace for the family. I know your hearts are broken. She certainly left this planet much better than she found it.
