June 4, 1934 - April 1, 2020

Walt Fennell, 85, passed away on 4/1 due to a heart attack and complications from bacterial pneumonia. He is survived by his son Randy, grandson Dustin and daughter Sharon Fennell Larsen. He was a wonderful father and great provider and he made sure his family had whatever they needed.

In pursuit of his dream to own his own business he moved his family to Dallas in 1965 where he started unique maintenance svc.. He was well liked and respected by all his employees and business associates. If one of his employees was in trouble he did whatever he could to help them out.
