“ Winnie was my favorite aunt. I loved talking to her on the phone, and hearing her laugh. She was one of a kind. She was smart, bright, and had a personality like no other. I will miss her, but I am confident that one day, I will see her again. RIP Aunt Winnie. You are loved.

“ Aunt Winnie was so full of life, she always had a story to tell and always had a smile in her heart. Mom and her we so very close, they would talk on the phone daily and I would sit and laugh in the background at there conversations. I remember when my kids were small and Aunt Winnie and Uncle Stan came to visit she was outside wanting to throw the football with the kids. She had an enormous love of life and family. You will live in my heart forever Aunt Winnie, im going to sure miss our phone conversations. Love You forever
